### Education Requirements for Licenses

Salespersons issued a new license must complete an approved 25-hour salesperson postlicense course within one year of original licensure.

The date of original licensure is on the licensee's pocket card. Licensees who do not complete this education requirement in a timely manner will lose their licenses. Licensees should enroll in and pay the fees for the proper course at an approved school as soon as possible.

Placing a license on inactive status does not remove or delay the requirement to complete this course in a timely manner.

Each school electronically submits the postlicense course to the Commission. Completing the education requirements and seeing that the Commission receives the verification is the licensee's responsibility.

### Continuing Education

The Commission has assigned a license number over 100,000 to every licensee who is required to take continuing education (CE). These licensees must complete a course or courses of at least six classroom hours for each year of their license renewal period. Thus, these licensees must complete at least 24 hours of Commission approved CE courses.

All of the schools which the Commission has approved to offer Prelicense courses also offer courses that will meet CE requirements. The Commission also approves for CE credit many other professional education courses offered by real estate firms, trade associations, and education institutions. Before enrolling in a CE course, the licensee should have the school produce proof that the Commission has approved it to offer courses for CE credit.

### Real Estate Wall Certificates and Pocket Cards

Enclosed are a wall certificate and two pocket cards. Please check the documents carefully for accuracy. If you find any errors, return them to the Commission for correction.

Licensees should provide one pocket card to the brokerage firm with which you will affiliate your license and keep the other. A larger certificate more suitable for framing and display is available separately. Should you like to obtain this frameable certificate or wish to replace it for any reason, you must complete the Display Certificate Request Form on page 25 of the Candidate Handbook and send it to AMP along with the \$35 fee.

You will be required to return your wall certificate and pocket cards to the Commission if you voluntarily surrender your license, it is suspended or revoked, or if it lapses due to failure to pay renewal fees or to meet education requirements.
