Mortgage Fraud In Georgia Declines

According to the latest figures released by the Mortgage Asset Research Institute, Inc., ("MARI") in its April 2006 report, mortgage fraud in Georgia is on the decline. Georgia has dropped from first to third in the nation in terms of mortgage fraud and recorded the largest decrease in the MARI Fraud Index during 2005, which indicates the amount of mortgage fraud reported in each state. The report indicates the decline may be due to passage of aggressive legislation and the enforcement by Georgia officials.

"While we are not happy that Georgia remains a state with a significant amount of mortgage fraud, we are definitely pleased and encouraged that this report reflects the progress that is being made to combat the problem in Georgia," stated Commissioner Rob Braswell. "I think the dramatic reduction in mortgage fraud in Georgia in 2005 is due to very aggressive efforts by many parties, including this Department, the Office

of the Attorney General, law enforcement and prosecutors on local, state and federal levels, specific lenders in the industry, and the Georgia Real Estate Fraud Prevention & Awareness Coalition. It has definitely been a coordinated effort, which is what it takes to adequately address such a widespread problem."

The Department currently supervises approximately 3,400 non-depository mortgage lenders, brokers, and processors. In 2003, due to the volume of mortgage fraud in the state of Georgia, the Department instituted a risk-based examination program, which primarily focuses on investigating reported fraudulent activity. Since the implementation of the risk-based examination program, the volume of administrative actions and referrals to law enforcement agencies have increased greatly. In 2005, 64 Cease and Desist Orders, 29 Consent Orders and 6 Revocation Orders became final. In addition, the Department made mortgage fraud referrals to law enforcement agencies totaling more than \$77 million.

Press Releases

**REVOCATION OF THE
LICENSE OF ATLANTIC
FINANCIAL MORTGAGE,
INC. BECOMES FINAL
MAY 9, 2006**

On May 9, 2006, the Georgia Department of Banking and Finance's ("Department's") decision to revoke the mortgage broker's license of Atlantic Financial Mortgage, Inc., license number 18854, located at 3598 Clairmont Road, Atlanta, Georgia 30319 became final.

This notice of intent to revoke license was issued by the Department after it obtained evidence that Atlantic Financial Mortgage purposefully withheld or destroyed information that was requested during an examination and failed to properly maintain a mortgage loan transaction journal.

**REVOCATION OF THE
LICENSE OF INTOWN
FINANCING, INC. & CEASE
AND DESIST ORDER TO
SONIA BOOKER DANIELS
FINAL
MAY 15, 2006**

On May 15, 2006, the Georgia Department of Banking and Finance's decision to revoke the mortgage broker's license of Intown Financing, Inc., license number 17325, located at 200 Renaissance Parkway, Suite 303, Atlanta, Georgia 30308 became final, as did the cease and desist order previously issued to its owner, Sonia Booker-Daniels.

These actions were upheld by the Office of State Administrative Hearings, which found that evidence existed showing that Intown Financing, Inc. and Ms. Booker-Daniels made misrepresentations in loan files submitted to mortgage lenders.

Net Branching

Unfortunately, it bears repeating that, unlike some states, Georgia does not allow for net branches.

When an existing licensee offers to allow another company or individual to use the licensee's name, license number, policies or procedures for a monthly operating fee or charge, without having that company being supervised by, or submitting

expenses, loan applications, documentation or other operating results to the licensee, this is generally evidence of net-branching.

The following factors are used to determine if a branch is a net-branch:

- ◆ The lessee or owner of the property is not the licensee;
- ◆ Employees are not supervised and compensated by the licensee, and are often paid on a 1099 basis;
- ◆ Expenses of the branch are paid for by the branch and not accounted for on the books of the licensee—or a fee is charged to the branch by the licensee which basically covers all of the branch's expenses paid for by the licensee; or
- ◆ A licensed lender does not fund the loans made by its branch.

Predatory Lending

HUD is proposing changes to its regulations governing Fannie Mae and Freddie Mac (collectively, the government sponsored enterprises or GSEs) to reinforce the efforts of HUD and the GSEs to prevent predatory lending practices. The changes proposed by this rule would allow HUD to keep up-to-date with and combat new predatory lending practices as they are discovered and, therefore, strengthen HUD's oversight role in monitoring GSE practices to ensure that the loans the GSEs purchase are not contrary to responsible lending practices. The proposal can be found under the 6-7-2006 New Documents, Secretary of HUD's Regulation at:

<http://hudclips.org/>

DATES: Comment Due Date: August 7, 2006.

ADDRESSES: Interested persons are invited to submit comments regarding this rule to the Regulations Division, Office of General Counsel, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 10276, Washington, DC 20410-0500. Interested persons also may submit comments electronically through the Federal e Rulemaking Portal at:

PRESS RELEASES

Governor Sonny Perdue has launched a campaign to put new emphasis on customer service, emphasizing **easier** access to government services, **faster** processes so customers can get business done quickly, and **friendlier** service in a customer-focused, goal-oriented culture. It is the Department's goal to provide excellent customer service, meeting and exceeding the expectations of our customers. Along those lines, we would like to recognize the following individuals for going above and beyond in serving our customers:

* **Larry Shelley, Supervisory Manager – Mortgage:**

Larry received a thank you letter with comments such as *"Thank you very much for going the extra mile..."* and *"We really appreciate your diligence in getting information that allowed you to honor our request instead of just saying 'no'."*

* **Deborah Long, Assistant Review Examiner:**

Deborah received a thank you note with comments such as *"How very nice it was of you to help me out with the information and to help me understand certain information..."* and *"Thank you for your time and consideration, your help was greatly appreciated."*

* **Melinda Kinard, Director of Money Service Businesses and Mortgage Licensing:**

Melinda received an e-mail from a licensee saying *"Thanks for taking care of that like you said you would! Every time I call your department, I get nice people that truly help, thanks so much!"*

* **Janet Anderson, Senior Mortgage Review Examiner:**

Janet received a thank-you card for her efforts to assist an applicant through some pending matters concerning the application, saying *"Great Appreciation"*.

The following, while not individual recognition, is noted to commend the Non-Depository Financial Institutions Division and the IT staff for the online license renewal process for mortgage licensees and registrants. Automation of formerly paper-based systems has greatly improved the process and a renewal applicant is able to review online the status of his/her application. We received several comments regarding the on-line renewal process such as:

"Thank you for simplifying the process for us! I had no problem whatsoever."

and

"The online renewal process is great!"

CONGRATULATIONS AND GREAT JOB!!

FASTER. FRIENDLIER. EASIER.
